### **The American Journey of Barack Obama**

In addition to a powerful array of photographs that were taken by many of the country's greatest photographers (and some that were snapped, in the quiet moments, by Obama family members themselves), this book also includes an incisive narrative biography, a foreword by Senator Edward M. Kennedy and original essays by some of our finest writers who weigh in on various aspects of Obama: Who is this man? What makes him different? What, finally, does his emergence mean for our country? Readers will feel that they are bearing witness to a singular, undeniably American story.

**Retail Price: \$24.99. Offer valid 1/1/09 – 2/15/09. Discount will be applied at checkout. Go to [neamb.com/bn](http://neamb.com/bn) and click on the NEA Bookstore link.**
