Weird U.S.: Your Travel Guide to America's Local Legends and Best Kept Secrets

There's something deliciously demented about two young men who wander the country in search of the bizarre, unexplained, or just plain nutty. Having had success, and plenty of reader response, with their magazine, *Weird NJ*, in which they documented New Jersey's less celebrated tourist attractions, they felt compelled to expand their research to encompass the entire U.S. Chapters are divided into enticing sections-"Fabled People and Places," "Bizarre Beasts," "Gateways to Hell," and "Cemetery Safari," among others-and are remarkably detailed, listing confirmed accounts of the events that have colored the countryside. *Weird U.S.* is a marvelous work of entertainment and the basis for a truly unique vacation. **Retail Price: \$19.95; Offer valid 10/1 – 11/12/07; Purchase online at www.neamb.com/bn.**
