

***Rapid Resources* Teacher Planning Aid Offered at Deep Discount to NEA Members!**

NEA Member Benefits and International Learning Corporation are excited to offer a valuable online planning aid called *Rapid Resources* to NEA members.

Rapid Resources[®] enables educators to easily and quickly diagnose a student's position relative to learning requirements and create individualized instruction in accordance with their state standards.

Rapid Resources gives you technical support to:

- Diagnose the student's situation
- Create an individualized remediation or advancement path
- Build assessments, tutorials and practice activities
- Locate additional resources

Plus it follows your state's standards!

In addition to helping with everyday classroom needs, Rapid Resources is an effective support tool for homebound students, after-school programs, and summer school as well as for assisting parents, aides, volunteers and mentors in improving student achievement. Take an online "tour" of Rapid Resources at www.rapidresources.com/nea.

Special NEA Member Pricing

Rapid Resources is available to NEA members on a 30-day, free-trial basis. After that period, the subscription automatically continues for an additional 12 months for the special NEA member annual subscription price of \$74.95. This is a tremendous savings over the non-member price of \$199 per year. Included with the subscription are instructional emails that provide time-saving tips for using the product. Members may cancel their subscription at any time during the trial period with absolutely no obligation.

Join the thousands of teachers who are saving themselves hours of time while better meeting the needs of their students! Take the Rapid Resources online tour today at www.rapidresources.com/nea.
