¹Between 1/1/20 and 12/31/20, the average savings off MSRP experienced by consumers who connected with a TrueCar Certified Dealer through the NEA Auto Buying Program and who were identified as buying a new vehicle from that Certified Dealer was \$3,125. Your actual savings may vary based on multiple factors, including the vehicle you select, region, dealer, and applicable vehicle-specific manufacturer incentives, which are subject to change. The MSRP is determined by the manufacturer and may not reflect the price at which vehicles are generally sold in the dealer's trade area, as many vehicles are sold below MSRP. Each dealer sets its own pricing. ²The NEA Auto and Home Insurance Program is provided exclusively by California Casualty. Insurance products listed are subject to availability and eligibility. ³NEA Life insurance coverage is issued by The Prudential Insurance Company of America, Newark, NJ. 1059718-00001-00.
